## Dear Esteemed Partners, Greetings Beloved,

The Lord indeed confirmed His Word as we revel in the bounty of the harvest of souls during our just-concluded Zambia mission 2025. Our hearts surge with gratitude towards God for the multitude of successes, breakthroughs, and newly opened doors of ministry opportunities among the Zambian youth and in the outlying districts beyond the bustling city life of Lusaka. Through His grace, our mission in other provinces across Zambia witnessed a new turnaround, illuminating paths to leadership and empowerment, for which we give all glory to our God.

*"Then Jesus went about all the cities and villages, teaching in their synagogues, preaching the gospel of the kingdom, and healing every sickness and every disease among the people. But when He saw the multitudes, He was moved with compassion for them, because they were weary and scattered.... Then He said to His disciples, "The harvest truly is plentiful, but the laborers are few. Therefore, pray the Lord of the harvest to send out laborers into His harvest."*

**(Matt. 9:35-37 NKJV)**

The verses above beautifully capture our journey through the lens of our fourth missionary trip to Zambia, with a particular focus on discipling the youth and reaching out to the unsaved souls. Herein, we celebrate our collective achievements and share our vision for the exciting path ahead.

## GLOBAL UNITY IN MISSION

### The International Faculty's Role in Empowering Zambian Youths.

This year's missionary journey was significantly enhanced by the invaluable participation of faculty members from around the globe, including **Australia, New Zealand, the USA, and Nigeria**. These dedicated individuals, chosen and used by God, traveled great distances to pour their knowledge, experiences, and spiritual insights into the youths of Zambia. Their diverse backgrounds brought a rich tapestry of spiritual, cultural and academic perspectives to the programs, enriching the learning experience and fostering a truly global community of faith and learning.

# LUSAKA **YOUTH CAMP:** A HUB FOR SPIRITUAL AWAKENING AND AN OUTPOURING OF THE SPIRIT.

The Lusaka Outpouring Camp Meeting engagement was characterized by the overwhelming presence of the Holy Spirit, who took the helm of the event to such an extent that God's power was palpable. Participants recommitted their hearts and service to the Lord Jesus, many of whom received the baptism of the Holy Spirit with the evidence of speaking in tongues.

It was an experience of genuine salvation, deliverance from addictions and hopelessness, curses broken by the power of the Holy Spirit, a meaningful leadership empowerment and relationship sessions, some bible-based trivia that tested their learnings at the meeting, and networking among participants and faculty..

The well-coordinated camp meeting provided impetus for leadership roles, especially for four of the youth who reported to the Camp Managers (Pastor Alfred and Sis. Mariam). These four diligently served to ensure excellent coordination for the program and campsite. God bless their hearts.

## CHIRUNDU: A HUB FOR SOUL WINNING AND INTERCESSORY TRAINING.

Our next mission stop was in Chirundu, a border town to Zimbabwe located about a 2-hour drive from Lusaka. Two years ago, the Lord gave us a partnership with a ministry there, and we intend to reach out to more souls within the town. Feedback from our partner indicates that the town is a hub for prostitution and trafficking of young women due to its proximity to Zimbabwe.

The 2-day open-air crusade, accompanied by a 1-day intercessory training for local church leaders, was greatly impactful, encouraging them to work together in unity. This crusade aims to rescue perishing souls in the valley of decision and set them on the path of spiritual growth and maturity within the networks of the Body of Christ in Chirundu. One of our team members, Pastor (Dr) Clever Phiri, who is Zambian, coordinated the crusade alongside the Crusade planning team, resulting in a well-organized gospel crusade.

Over 450 souls decided for Jesus, while a considerable number of them received the baptism of the Holy Spirit accompanied with the initial evidence of speaking in other tongues. The intercessory training for local church leaders will empower them to channel their prayers over these souls and strengthen their prayer altars.

There is a strong Macedonian call in Chirundu, and with the cooperation of the Body of Christ there, we sense a need to return to this district, along with another nearby district, Choma, for the massive harvest of souls in 2026. Although there were certain oppositions trying to prevent the crusade from happening, we praise God for the victory through our Lord Jesus Christ.

# LIVINGSTONE: A HUB OF INTERCESSORY TRAINING AND YOUTH ENGAGEMENT

Our missionary engagement in Livingstone has since caught the fire of revival we long to see, and this fire is growing wider every year we visit. Over 300 youths gathered from diverse academic fields and churches to receive the nourishment of the Word of God especially in spiritual leadership matters, healthy living to take territories for Jesus, entrepreneurial faith to do the impossible for God in the marketplace, and were greatly encouraged on the dignified manners to achieving it starting from their Jerusalem (local Churches) and to the ends of the earth (the seven mountains of influence).

2026 in Livingstone will witness a greater move of the Spirit of God in the lives of the youth and the Body of Christ because we will be intentional on their giftings and worship lifestyle, and how this will greatly impact the African society at large.

# DR CONGO AND NEIGHBORING COUNTRIES: A POSSIBLE MISSION OUTREACH IN 2026.

We believe the Holy Spirit has opened effective doors for more ministry impact in other neighboring countries, especially the Democratic Republic of Congo (DRC), Botswana, Zimbabwe, Malawi, Angola, etc, as He leads us on by His grace.

# A Heartfelt Appreciation

Our continued heartfelt appreciation goes to all our ministry partners globally (USA, AUSTRALIA, NIGERIA, NEW ZEALAND, CANADA, ZAMBIA, UK, SOUTH AFRICA, etc.). God bless your hearts! Be assured that our prayers are with you, and your rewards are from the Lord of the harvest.

A special thanks to Bishop Fortune Mwiza (Presiding Bishop, Deliverance Church, Lusaka), Bishop Janet Hart (Lead Bishop, Church of New Life for All Nations, Livingstone), Emusic Studios (USA), the Evangelical Fellowship of Zambia (EFZ), and all our Kingdom partners and encouragers, your labor in this gospel and kingdom assignment is invaluable. May the Lord bless you, increase you, and grant you peace (*Num. 6:24-26*). There are things to do and places to go for the Lord Jesus. Your unwavering support fuels our mission, promising a future filled with hope, empowerment, and transformative leadership.

As we forge ahead, we sincerely ask for your financial support for our mission to Zambia, **next year May**, and God, who makes all grace abound towards you, perfecting all that concerns you, will continue to reward you abundantly for your labor of love.
